

**Corvettes West**  
*Business Meeting*  
*July 20, 2010*

**Vice President Mark Guizlo** called the meeting to order at 6:55 p.m. (early!) Mark said that Eric would not be attending the meeting tonight.

Mark discussed the last general meeting & the one guest (potential member) who attended. His name is Tim Newbauer (note sp. correction). Mark also mentioned the kids from Vista Heights Middle School who came to do a presentation for us at the meeting, as well as Keith Roberts and his pens. (This was just a recap for those who didn't attend the general mtg.)

Sometime during the meeting tonight, Eric would like us to come up with a date for a final Big Bear Bash meeting. We need to discuss the event, how we all feel things went, and to get the final figures on expenses.

**Secretary Sharon MacGillivray** asked for a motion that the minutes from the past general meeting be approved as they (should) appear on the website. (Some problems have occurred in uploading minutes, newsletter, etc.) Jim Gillam made the motion, DeeDee Guizlo seconded. Motion carried.

**Treasurer Richard Carias** is finalizing the BBB expenses, but still needs to know how much was spent on the beer truck & raffle prizes. Also, envelopes will be purchased in bulk - both with CW logo & some plain.

**NCCC Jim Gillam** reminds us that we could all be headed for Palm Beach, FL this weekend for the NCCC Convention! (No one has bags packed for that trip!)

Jim will mention all events tonight as Joanne Bailey is not here tonight. ....

- . Calif. Theater, Comedy & Corvettes, July 30 & 31
- . Aug. 14, Vapor Trails Corvettes & Newport Harbor Corvettes, combined event
- . Aug. 22, Car Show, Corvette Super Sports
- . Corvettes West Summer Party, Sat., July 24 at Ralph & Linda Johnson's home
- . Ice Cream Social to Frostbites in Riverside, meet at Target 7 p.m. or meet there at 7:30 p.m. (Event hosted by the Kaplans)
- . Pedersen's Museum, Sept. 11, depart Target at 8:30 a.m. (Event hosted by Kaplans)

*See the newsletter or website for full information on all events.*

Jim brought up the subject of insurance for the trailer & there was discussion of cost, necessity, etc. K & K Ins. has given a bid for \$246 for the year, basic coverage, liability, comp. & collision, \$5,000 medical, contents not covered. Other options will be explored. This isn't an immediate problem.

**Products Rick MacGillivray** went to S&W Plastics in S.B. to order CW stickers. Now, they'll be \$3.00 each, but the *deal* will be 2 for \$5.00.

**Newsletter DeeDee Guizlo** needs articles for the newsletter.

**Raffle Ron & Kristi Richardson** not present.

**Sunshine Carolyn Miller** not present, but has sent an email report. ...Lois Bryant has had some heart problems and has been in the hospital. Michael Miller has been diagnosed with prostate cancer and will have surgery in Sept. (we think). JD Kingma will have surgery in Aug. also. Wally Napolski had cataract surgery and is recovering. Ron Richardson had a 3rd heart attack last Fri., was in the hospital, but doing very well (and is now out of the hosp.) after an angioplasty. (Ron & Kristi can tell you about that miracle!)

**Historian Debbie Goodman** not present. Well... it *is* her birthday.

**Helping Hands Gail Flores** not present.

**Sergeant at Arms Betty Randolph** counts 15 present tonight.

**New Business ...** DeeDee Guizlo has come up with a survey for all BBB attendees to look over and give feedback on this past Big Bear Bash. We're considering some changes in venue, as well as other things - to see how we can improve the event & come up with some fresh ideas, possibly. The survey will be sent to all people who attended this year, from all clubs, not just CW. All comments are welcome. Look for an email pdf which you can print out and mail or scan & email back to DeeDee. Please respond as soon as possible.

After some discussion on when & where we can meet for the Big Bear Bash recap meeting, Mark suggested meeting at the Nottingham in Big Bear on Sunday, August 8 at 1 p.m. This will be a lunch meeting, and we can also check out the Nottingham as a possible venue for next year.

The meeting was adjourned at 7:55 p.m.

Respectfully submitted,  
Sharon MacGillivray, Secretary
